

DECARBONIZATION IN THE GLASS INDUSTRY

WEDNESDAY 17TH SEPTEMBER

FIERA MILANO RHO: CONFERENCE ROOM HALL 9

09.30 - 10.00 Attendee Registration

10.00 - 10.15 Welcome

Dino Zandonella Necca - President | Vitrum

10.15 - 13.00 Technologies and solutions for new generation furnaces

CHAIR: **Nicolaas François Fouché** - Senior Editor | Glassonline, Glass Machinery Plants & Accessories, Glass Technology International

Presentation by:

Oliver Bellina

Glass Technologist | Glass Service Italy
Syngas from biomass: Effectiveness alternative to achieve decarbonization in Glass industry

Ernesto Cattaneo - Josh Ledger

Innovation Manager | Stara Glass
Batch & Furnace Manager | Glass Futures
Glass Futures R&D furnace design and the opportunities for glass innovators

Hubert de La Forest de Divonne - Andrew Reynolds

Product Manager - Business Development Dir. | Fives Stein
All-electric and hybrid melting technology to achieve sustainable glass production

Daniela Messina

Marketing & Technology PI Expert | RHI Magnesita

11.15 - 11.30 Coffee break

Christian Rübiger

Technical Director EU | Celsius

Philippe Kerbois

Global Industry Manager - Glass | Land Ametek
How to use thermal imaging NIRB to optimize glass furnaces to reduce emissions

Marina Buzzi

Market Developer in PTX | Topsoe
SOEC (Solid Oxide Electrolysis Cells) and its utilisation in hard-to-electrify sectors

Andrea Codazzi

Segment Manager | Schneider Electric
Decarbonization in glass production

Matthias Görisch

Global Commercialization Manager | Linde Technology

Enrica Cottatellucci

Head of Business Promotion and Assistance | GSE -
Gestore dei Servizi Energetici
GSE Support to Italian business decarbonization

13.00 - 14.00 Lunch

14.00 - 16.00 Environment and sustainability: innovations and developments

CHAIR: **Nicolaas François Fouché** - Senior Editor

Presentation by:

Walter Da Riz

General Director | Assovetro

The path to decarbonization of production processes

Carlo Pirrone

Secretary General | FEVE

Bertrand Cazes

General Secretary | Glass for Europe

Christian Ballabio

Sales Manager | Ocmi OTG

Sustainability on glass primary packaging

Simone Tiozzo

Head of R&D Dept. | Stazione Sperimentale del Vetro

Horizon Europe H2GLASS Project: First industrial scale H2 combustion trials in the oxy-fuel furnaces of Steklarna Hrastnik and Owens Corning

Federica Carimati

Group Product Manager | Saint-Gobain Glass

Nicolò Padoan

Sales Director | NSG-Pilkington Italy

Ludovico Iasci

Technical Director | Iocco Group
